

From the desk of
Santa Claus

ALL THE WAY FROM NORTH POLE

Hello, I hope you are well.

Your little elf has come back to stay with you for a few weeks and will be making sure that you are being kind to everyone you meet.

Your elf has brought you a little gift from me to say well done for everything you have achieved this year, you have been working really hard.

Remember not to touch your little elf as we don't want your elf magic to disappear, do we!

Keep up the hard work, be good for your parents and be kind to your friends, I will collect your little elf on Christmas Eve so please take great care of your elf until then.

Sincerely,

Santa Claus

HERE IS MY ADDRESS
